

UNDERTAKING

We hereby declare that our school currently has 41 computers, with 25 in the computer lab. We commit to acquiring 15 more computers for the Computer lab, making it a total of 40, by March 31, 2024, in preparation for the upcoming academic session (2024-25). This initiative aims to enhance our students' learning experience and provide a well-equipped computer lab for practical applications. We assure you of our commitment to this undertaking.
